Informational certification exam session: Friday, August 16, 2109 from 11:30 am- 12:30 pm in MMEC Rm. 11-101/102.

VCU and the Central Virginia Chapter of the Society of Clinical Research Associates (SOCRA) will host the SOCRA Certified Clinical Research Professional (CCRP) certification exam on Friday, October 18, 2019 from 8 am until noon. The scope of the [SOCRA Certification Program](#) is based on the principles of Good Clinical Practice, including the US Code of Federal Regulations, ICH GCP E6, and the Ethical Principles that guide clinical research (Belmont Report, Declaration of Helsinki and the Nuremberg Code). One certification covers: human clinical research of pharmaceuticals, biologics, medical devices and behavioral research within the US or internationally. The exam application and supporting documents must be submitted to SOCRA no later than September 6, 2019

Through a collaborative effort between VCU Massey Cancer Center and the Wright Center for Clinical and Translation Research, certification exam study support sessions (SOCRA for Success) will be offered for those within the VCU/VCUH community registered for the SOCRA certification exam (VCU hosted, computer based, or alternate site). Six weekly sessions covering the certification exam content areas will be held beginning Monday, Sept. 9, 2019. SOCRA for Success registration and commitment to attend all sessions is required. Please contact Shirley Helm at shirley.helm@vcuhealth.org, 804-628-2942 or Patti Feldt at pafeldt@vcu.edu, 804-628-1902 for additional information or questions.
